

## DECLARATION for 2024

I, the undersigned young researcher candidate, declare:

- That I have not yet been co-funded under the Young Researcher Programme and that my postgraduate studies will not be funded from other public sources during my training as a young researcher;
- That my personal data provided in my application to the Call for Young Researchers in 2024, published by the Science and Research Centre Koper, may be used for records or lists.

Mark the box in front of the statement if it applies to your case:

I, the undersigned young researcher candidate, have not yet graduated on the date of application. I declare that I will graduate by 15 September 2024 and will submit a certificate of graduation with a diploma supplement with official proof of having completed all study obligations showing the average grade of all examinations in the second-cycle postgraduate study programme.

I, the undersigned young researcher candidate, have not completed a second-cycle postgraduate study programme or a Master's degree course in the Republic of Slovenia. As I do not yet have a decision on the recognition of a foreign education and the conversion of the average grade on the date of my application, I declare that I will submit the decision of the higher education institution on the recognition of a foreign education for the purpose of education in the Republic of Slovenia and the conversion of the average grade of undergraduate and postgraduate studies of the second cycle according to the grading system implemented at higher education institutions in the Republic of Slovenia, which will be prepared by the training provider, taking into account the grading system of the education completed abroad, by the date of my application for the call for applications.
